Dear Business Owner,

A representative from your company was recently trespassing in Indian Trails for the purpose of soliciting business. In these tough economic times we recognize your need to increase sales. However we must ask you to direct your personnel to refrain from visiting our homes uninvited in the future. Indian Trails is on the south side of Alderman Road, and to the east of County Road 1 (aka Omaha Street) in Palm Harbor.

The first sign you pass when entering the neighborhood reads: "No Soliciting". Indian Trails is designated as "no soliciting" for good reason – to help provide a safe neighborhood. It is in our best interests to prohibit strangers from wandering uninvited from house to house.

Unfortunately, the real intent of some "solicitors" is to gain access to our homes or steal our property. Knocking on doors provides a perfect environment for more sinister opportunities such as burglary or home invasions. Indian Trails homeowners have been the victims of these tactics. It is simply not possible for homeowners to distinguish the legitimate business people from the bad guys, so our best protection is to restrict all solicitors.

Due to our strong focus on this issue it is highly unlikely that your sales personnel would be successful in their efforts in our neighborhood. You are welcome to promote your company to our homeowners through regular mail, or in "Smoke Signals" our quarterly newsletter. If you would like to place an advertisement please contact us at: [newsletter@ITHOA.org](mailto:newsletter@ITHOA.org) We'll be happy to distribute your message to our neighbors.

Your cooperation is very much appreciated.

Thank you,

Andrew Schramek
